Information about the Partnership with Youth at Symons Recreation Complex

Symons Recreation Complex believes that every child should learn how to swim. If you have been unable to enroll your child in swim lessons because of the cost, you may be eligible for our Partnership With Youth program (PWY).

The PWY program is made available through donations from United Givers and SRC members. With this program, lessons are available at a reduced cost for families that need financial assistance. **Note PWY can only be used for Level classes (Level 1-6), a minimum donation of \$10.00 for each child and only once per year.**

Group swimming lessons run year-round, with sessions each during fall, winter/spring, and summer. To register over the phone, call 608-647-8522 or come to SRC to register in person during the sign up period. Enrollment is based on a first-come, first-served basis. The cost of lessons is \$24 for SRC members or \$63 for Maximum Member Family, \$48 for non-members, \$110 maximum per Non-Member family, **or a minimum donation of \$10 through PWY.**

If you are planning on using the PWY program, after you have called & enrolled, bring this completed form with you on the first day of class (or when you register). If you have more than two children to enroll, please list their information on a separate sheet.
