An atrium rental includes the use of the atrium and the pool area (sauna and whirlpool). It does not include racquetball or weight room use. The hourly fee is in addition to day passes that must be purchased for all non-members utilizing the pool area. When you arrive, check-in at the front desk first before using the building. All guests must also be prepared to sign-in and complete registration forms. After all of your guests have arrived, meet with the receptionist, who will have calculated your total payment that is due.

Age requirements do apply during parties; children age 15 and under may not use the hot tub or sauna. Extra fees apply to large groups with more than 40 people. A pool rental does not include the use of the racquetball courts or the weight room. You are allowed to bring in party decorations and food in the atrium area only as long as everything is picked up before you leave.
