Information about the Partnership with Youth at Symons Recreation Complex

Symons Recreation Complex believes that every child should learn how to swim. If you have been unable to enroll your child in swim lessons because of the cost, you may be eligible for our Partnership With Youth program (PWY).

The PWY program is made available through donations from United Givers and SRC members. With this program, lessons are available at a reduced cost (\$10) for those with financial need. The only restriction for the PWY program is that it is used one time per year.

Register over the phone or come to SRC to register in person during the sign up period. Enrollment is based on a first-come, first-served basis. The cost of lessons is \$24 for SRC members (or \$63 for Maximum Member Family), \$48 for non-members (or \$110 maximum per Non-Member family), **or \$10 reduced through Partnership With Youth program (PWY).**

If you are planning on using the PWY program, after you have called & enrolled, complete a form at Symons Recreation Complex on the first day of class (or when you register). A minimum payment of \$10.00 for each child. PWY can only be used one time per year per child.

Looking for children who love to Swim!
