2022 Lifeguard Training & Recertification Courses

Please complete the registration form and check the session(s) you would like to attend.

New Lifeguard Training Participants – Blended Learning (Must have easy access to the internet)

The primary purpose of the American Red Cross lifeguarding course is to provide entry-level lifeguard participants with the knowledge and skills to prevent, recognize and respond to aquatic emergencies and to provide professional-level care for breathing and cardiac emergencies, injuries and sudden illnesses until emergency medical services (EMS) personnel take over. Successful completion results in a 2 year certification in lifeguarding that includes first aid, professional level CPR and AED. Digital certificate available upon successful completion of course.

Candidates must attend ALL sessions and bring suits to each lesson. Prior to each session participants are required to complete the online assignments listed in the itinerary. (After you are registered you will receive an email with online directions & the itinerary) You must be at least 15 years of age. **Please bring proof of your age to the first class.** This course is offered in a blended learning format which requires advance registration with the American Red Cross. Participants will need to complete ALL online assignments BEFORE the FIRST class time listed below. Participants must provide proof of online completion upon arrival to first class; neither course sponsors nor instructors are able to verify or view your online status. Participants are required to attend all of the course dates & times listed below for the session they register for.

The pre-course swim for Lifeguarding Course and Recertification:

1. Swim 400 yards continuously, demonstrating breathing control and rhythmic breathing. Candidates may swim using the front crawl, breaststroke or a combination of both, but swimming on the back or side is not allowed. Goggles may be used for this prerequisite skill but cannot be used for any other parts of the pre-course session or during the course.
2. Tread water for 2 minutes using only the legs. Candidates should place their hands under their armpits.
3. Complete a timed event within 1 minute, 40 seconds:
 - Starting in the water, swim 20 yards. The face may be in or out of the water. Swim goggles are **not** allowed.
 - Surface dive, feet-first or head-first, to a depth of 7 to 10 feet to retrieve a 10-pound object.
 - Return to the surface and swim 20 yards on the back to return to the starting point with both hands holding the object and keeping the face at or near the surface so they are able to get a breath. Candidates should not swim the distance under water.
 - Exit the water without using a ladder or steps.

To register you must do one of the following:

1. Sign the waiver below confirming ability to meet pre-course swim requirements.
